'77 TRANS AM T-TOP

Evaluating a car's looks is the most subjective part of our job, and because of that extreme subjectivity, conclusions in that area are the most arguable. But we don't expect much of an argument when we say the 1977 Pontiac Firebird Trans Am T-Top is a beautiful automobile. And to beautiful we can easily add adjectives like aggressive, dynamic and exciting. It is also most pleasant to report that the T-Top is not a sheep in wolf's clothing. No indeed. For beneath that impressive exterior resides the last of the muscle cars. We are pleased to report a 1977
